

Catholic Odawara Church

Safety Standards and Checklist

Dear Church members and friends,

Our church is open for Sunday Mass celebration and here's how to keep our church safe and clean to prevent the spread of the novel coronavirus as well as the seasonal influenza.

- 1. Stay at home if you feel unwell.***
- 2. Clean Hands – Handwashing with soap and water is the best solution. If not viable, use hand sanitizers available at church entrance and in the restroom.***
- 3. Masks – Everyone (except small children) is required to wear a face mask at all times in church.***
- 4. Physical Distancing – Maintain 6 feet distance from others in church. Mass attendees remain no more than 30 people. Families are allowed to sit together.***
- 5. Pews Cleaning – Clean and disinfect the pew with wet wipes available at sanctuary entrance.***
- 6. No choirs and hymn singing during Mass. Avoid “Sign of Peace” handshakes and hugs.***

Stay healthy and save lives. God bless and protect us all.
